the ceramics with ***proud traditions***

Our story begins as specialists in a material, porcelain tiles, surfaces devoted to technical excellence and satisfying on the eye with their beauty; the result of our experience, research and technology.

An Indian story, appreciated the world over, that talks about attention to the environment and safety, an aptitude for design and architecture design solutions.

We blend craftsmanship with contemporary aesthetics to create surfaces that speak of character and quality. With every collection, we bring a new narrative to life—timeless, functional, and artistically driven.

Our journey continues to shape modern living, one tile at a time.

an extensive collection
